

Approach for the Fuel Element Failure Section of NEEP-423

- **Very Comprehensive Treatment of pre-1977 period given in:**

"The Main Causes of Fuel Failure in Water-Cooled Power Reactors"

by

F. Garzaolli, R. von Jan, H. Stehle

Atomic Energy Review, Vol. 17, No. 1, p. 31 (1979)

- **Very Comprehensive review of the period in the 1980's and up to mid 1990's:**

"Proceedings of the 1997 International Topical Meeting on Light Water Reactor Fuel Performance"

Portland, Oregon, March 2-6, 1997
